

## **REQUEST FOR BIDS – POLE BARN CONSTRUCTION**

The South Carolina Governor's School for Agriculture at John de la Howe is seeking qualified contractors to submit bids for the construction of a 40' x 84' pole barn to support seasonal farm equipment storage.

---

### **Project Specifications:**

- Dimensions: 40 ft (W) x 84 ft (L) x 14 ft (H)
  - The site has an estimated 2-foot slope; all eave heights must be 14 ft. Some posts will require additional length, and interior bays will provide increased clearance in those areas. Site visits are available.
  - Construction: Pole barn style with 29-gauge metal
  - Roof: Gabled, Galvalume metal (vertical panels)
  - Pitch: 4:12 standard pitch
  - Trusses: Standard truss system (wood or metal)
  - Exterior:
    - Gable ends: Charcoal metal
    - Trim: White
    - Overhang: 1-foot overhang on sides and ends
- 

### **Bid Requirements:**

- Must include delivery and full construction
  - Provide a minimum 1-year labor warranty
- 

### **Project Timeline:**

- Project must be completed and invoiced by June 12, 2026
- 

**Bid Deadline:** April 30, 2026, by 1:00 PM
